## Blessings for Easter from St Nicholas' Parish Pastoral Council

The Easter season brings joy and as always, much needed hope to our lives. Jesus, our Saviour, lives. He promises to be with us always and our hearts are gladdened and comforted to hear His message of Good News.

After the darkness of Winter and particularly, the trials of the past two difficult years, we celebrate His great love for us. We give thanks for His resurrection and the blessings of faith and community. And as people of faith we pray for peace and reconciliation in the many areas of our world where cruelty and injustice are all too pervasive at this time. May the risen Christ shine His light on us all.

### Ukraine Emergency

We are all mindful of the terrible events in Ukraine in recent times and would like to help however we can. The recent weekend collection was generously supported but perhaps there are other practical ways of providing support. Please contact the parish office if you are aware of Ukrainian people living in our area who need assistance or indeed with suggestions of other ways we might approach this dreadful crisis touching so many lives.
